2nd LATINOS & ALZHEIMER'S SYMPOSIUM

May 20-21, 2021 | Virtual Conference
#AlzLatinos2021

Add to your GOOGLE CALENDAR **or** APPLE/OUTLOOK CALENDAR

Now in its second year, the Latinos & Alzheimer's Symposium will provide an overview of current needs, Alzheimer's science, and practice knowledge to advance research informing the care of Latino/Hispanic individuals living with dementia and their families. Attendees will develop collaborations and support among health care professionals, early career researchers and trainees. To attend, register at **alz.org/latinos-alzheimers-symposium**.

Sessions are listed in Central Daylight Time (North America). Schedule is current at time of posting. Content is listed as submitted.

POSTER PRESENTATIONS

Beginning May 20, explore posters from across the world and leave comments for authors around the clock. Poster topics address the disparities in dementia risk, early detection and care in Latino/Hispanic populations.
