Special Dementia/Alzheimer's-Friendly Matinee*

THE BERMAN
Center for the Performing Arts

Hedy Lamarr, glamorous siren of the silver screen, was more than the most beautiful woman in the world. She invented Frequency-Hopping Spread Spectrum Technology that makes the world of wireless communication tick. From Austria to Hollywood, WWII, torpedoes, ecstasy, and intrigue to the very cell phone in your pocket, Hedy Lamarr is there!

*What is a Dementia/Alzheimer's-Friendly event?
