### **Chapter Thanks Outgoing Board Member for Years of Service**

The Alzheimer's Association, Western and Central Washington State would like to recognize the many contributions of outgoing Board of Directors and Executive Committee member **Electa Anderson** during her six years of service.

Ms. Anderson served as Co-chair of the 2009 *Evening to Remember Gala* in addition to contributing to the success of many other Chapter events, helping to raise critical funds for research, and the services and programs of the Chapter that benefit individuals and families affected by Alzheimer's and the related dementias.

Anderson is currently on the national Alzheimer's Association Board of Directors and will focus her energy on a larger landscape, both nationally and internationally, in achieving our collective vision of A world without Alzheimer's disease.
