

SPEAK OUT FOR ALZHEIMER'S AND MEMORY LOSS DISORDERS

The Alzheimer's Association Western and Central Washington State chapter is looking for individuals who have Alzheimer's or dementia to serve on our Speakers Bureau. The purpose of the Speakers Bureau is to help increase awareness and educate others about the needs and issues related to Alzheimer's disease and memory problems. Volunteers from the Speakers Bureau are sometimes asked to speak to professional groups or students, to share a story with a newspaper reporter or call their legislators about an important policy issue. If you are interested or would like to learn more about how to volunteer for the Speakers Bureau please complete the following information. There are several different activities and options to choose from.
