Third Party Fundraisers

Each year, individuals and organizations such as civic groups, social clubs, restaurants and businesses raise thousands of dollars for the Central and Western Kansas Office. These events are called third party fundraisers and they are great way to demonstrate a commitment to the mission of the Alzheimer's Association. These third party fundraisers raise significant funds for the Office and involve the community in a very direct way to help promote awareness. Third party events are not only fantastic celebrations, but also reinforce the power that lies within each of us to help those in our community that are affected by Alzheimer's disease.

If you are interested in hosting a third party fundraiser, please contact Marsha Hills at marsha.hills@alz.org or 316.267.7333.
