2011 Walk To End Alzheimer's

We wrapped up the 2011 Walk to End Alzheimer's season in October with four walks in three weeks.

Hays

On a beautiful October 1st morning, 70 people arrived at the Gross Memorial Coliseum on the Fort Hays State campus to show their support of the Alzheimer's Association. Inside the coliseum everyone enjoyed live music courtesy of Hays locals, Shades of Grey. The award for top individual fund raiser went to Ena Cairns and

her team, Time Steppers, took home the top team award. Thank you to the following sponsors: Blue Cross/Blue Shield of Kansas, Clinkscales Elder Law Practice, Eagle Communications, Enersys, Hays Medical Center and U-Save Pharmacy. We would also like to thank All American Bottling, Wal-Mart and Pizza Hut for their in-kind donations of pop, water and pizza. A very special thank you goes out to our Hays walk committee of Carolyn Insley, Kathy Moravek, Jean Johnson, Josh Clinkscales and Randy Clinkscales. Also, thank you to all the walkers, your tireless efforts helped us make this one of the best Hays walks ever, raising over \$6700! Fantastic job Hays!

Garden City

The fierce Kansas weather posed a challenge on October 8th for the Garden City walk, but 30 brave people gathered at Lee Richardson Zoo. The weather did let up by walk time and a great time was had as everyone supported a unified cause and enjoyed door prizes and pizza. The award for top individual fund raiser went to Ellen Rome and her team, the Muriel Rome Team, took home the top team award. Thank you to the following sponsors: Blue Cross/Blue Shield of Kansas, Garden Valley Retirement Village, LLC, Hopkins, Hopkins & Ackerman and Legacy Senior Services (Mosaic). Thank you as well to Little Ceasar's for providing the pizza. A special thank you goes out to the Garden City walk committee of Mary Seibert, Barbara McKenna, Ellen Rome, Kathy Rome and Judy Strasser. Plus a very special thank you to all the walkers who helped raise over \$4800! Way to go Garden City!

Wellington

On October 8th the Wellington Walk to End Alzheimer's was held in conjunction with the 2011 Wellington Fall Festival. Walkers enjoyed refreshments and donuts provided by Daylight Donuts. Thank you to the following sponsors: Blue Cross/Blue Shield of Kansas and Rivercross Hospice. Thank you to all the walkers that helped to raise over \$1700! Good job Wellington!

Sweet Memories

Your first little league game, prom, graduation, a wedding, the birth of a child, family vacations, grandchildren and more. All of these things become Timeless Memories that we carry with us for life. Come join us February 12, 2012 at Mosley Street Melodrama for the 13th annual "Sweet Memories" and make more Timeless Memories. We will be featuring live and silent auctions, a wine pull, treasure boxes, a catered meal and of course a wonderful Melodrama show; "The Dukes of Haysville or the Hazards of Going Down South...of Wichita". Tickets are \$75 each or \$570 for a table of 8 (which includes a complimentary bottle of wine). Tickets may be purchased by contacting Ryan at 316-267-7333 or ryan.rhodes@alz.org. We hope to see you there as we enjoy friends, food and fun while making "Timeless Memories."

Search and Shop for a Good Cause

Another way for you to help the Alzheimer's Association Central and Western Kansas is to keep doing what you have always done, just in another way. Goodsearch.com is a Yahoo powered search engine that donates about \$.01 to us every time you use it to search anything on the internet. In addition, Goodshop.com allows you to browse online merchants that will donate a portion of your purchase price directly to us. All you have to do is register for free on either or both of these sites and select us as your cause of choice. Just think, while you are getting all of your holiday shopping done you will also be making a difference in your community.

Dodge City

Perfect fall weather was provided for the Dodge City walk on October 15th at Wright Park. Almost everyone walked away with a door prize and some four legged friends joined the walkers, courtesy of the Kennel Club. The award for top individual fund raiser went to Debbie Morgan and her team, Mac's Mob, took home the top team award. Thank you to the following sponsors: Blue Cross/Blue Shield of Kansas, Brenda Kuhlman, Ferguson's Inc. Furniture and Appliances, KBUF Radio, Phillips Chiropractic, United Wireless Communications, Inc and Western Plains Medical Complex. Other thanks go out to the Dodge City walk committee of Daniel Flax and Larry Gable. A big thank you goes to all the walkers who participated and helped raise over \$3800! Great job Dodge City!

Thank you to everyone who participated in the 2011 Walk to End Alzheimer's! We appreciate all the support and look forward to even greater things in 2012!

If interested in participating on a 2012 walk committee, please contact Ryan Rhodes at (316) 267-7333 or ryan.rhodes@alz.org

3rd Party Events Raise Funds

SPECIAL THANKS to the students of Beloit Junior-Senior High School for a very successful "Light up the Night for Alzheimer's" benefit. The total raised and donated to the Alzheimer's Association Central and Western Kansas was \$3,260. JOB WELL DONE!!!

THANKS to Madrocks Sports Bar and Grill in Derby and Glen Carr House for a give back day on Saturday, October 15th. Proceeds received were \$1058.00. Thank you to both businesses.

KARG GLASS and LARKSFIELD PLACE joined together again this year for the annual glass pumpkin sale. It was held on October 8th and 9th at Larksfield Place. Proceeds from that event raised \$667.00.

WE APPRECIATE ALL THE 3RD PARTY EVENTS THAT ARE TAKING PLACE IN THE COMMUNITY.

D.I.Y Fundraisers

Do you want to contribute to the Alzheimer's Association but don't know what you could do? Have you ever considered hosting a DIY fundraiser? D. I.Y. (Do It Yourself) fundraisers can be as simple or as extravagant as you wish and could raise anywhere from \$100 to \$10,000 or more. Simple ideas could include a wine and cheese party for close friends, a garage sale, a jeans or go purple day at the office, donating a percentage of sales for a day/week, a school's classroom project or a game night. More extravagant ideas could include hosting a silent auction, a large dinner party, or a sporting event such as a golf tournament, a basketball tournament or a run. The possibilities are endless. If you would like more information or any help in starting a DIY, contact Ryan at 316-267-7333 or ryan.rhodes@alz.org.

Facebook Friends

If you are on Facebook be sure to like Alzheimer's Association Central and Western Kansas. We are working to keep things current and informative. We would love to hear from you as well. If you have any Alzheimer's related stories or articles please feel free to share it on our page. If you would like to host a benefit event for the Alzheimer's Association you can promote it through our page. Also, we will start doing random drawings from our friends for prizes from the association. Be sure to invite your friends and co-workers to like us as well.

We look forward to seeing some familiar faces as well as some new ones.

essentiALZ™ certification program

Do you provide care for someone with dementia or Alzheimer's?

The Alzheimer's Association® essentiALZ™ certification program is a convenient way for individuals to be recognized for learning quality dementia care practices.

The essentiALZ program combines select HealthCare Interactive® CARES® online dementia care training with Alzheimer's Association® online certification exams. The essentiALZ program was developed to recognize the knowledge of any caregiver who fulfills the certification requirements, regardless of whether they are paid or unpaid for their care of people with dementia.

Both family members and professional care providers can benefit from this program. There are several benefits of the essentiALZ program...1) learn techniques for caring for people with dementia by completing approved prerequisite dementia care courses prior to taking the essentiALZ certification exam, 2) be recognized as someone who has a basic understanding of symptoms of Alzheimer's and other dementias by successfully passing the Alzheimer's Association essentiALZ exams and 3) demonstrate knowledge of evidence-based dementia care practices, which are promoted in the nationally recognized Alzheimer's Association Dementia Care Practice Recommendations and supported by more than 30 leading health and senior care organizations.

Topics for the Basics include: Alzheimer's and Dementia, Understanding Behavior, Communication and Person-centered Care. For more information and pricing email essentialz@alz.org or call Jenny Shipman at 316-267-7333..

Caregiver's Corner - Activities and Dementia

Many Alzheimer's and dementia caregivers struggle to keep their loved ones entertained. When planning the day or thinking of activity ideas try to keep in mind the things your loved one has always enjoyed. They are the same person, but their brain works a little differently now. When planning activities keep in mind how many steps are involved, and what kind of materials you will need. They may have a hard time focusing on multiple tasks at one time, so you need to adapt activities and chores to make them more accommodating. If your wife loved to cook try asking her to stir a bowl or wash vegetables. If your husband was the fix-it type you may give him some nuts and bolts to sort out, or a child's toy to sand down. Activities should be appropriate for your loved ones needs, and those that are centered on your loved ones unique interests are ideal to keep them focused. Just a few simple adaptations allow us to avoid anxiety and frustration which can lead to bad days and unpleasant scenes. Also, don't be afraid to include grandchildren and other young family members and friends. A coloring contest with a young grandchild is a fun activity which can help build a child's understanding and develop those family relationships without fostering resentment by giving your loved one childish tasks to do alone. For more activity ideas and tips call the Alzheimer's helpline at 800-272-3900 or 316-267-7333.

A \$1,000 check was presented on Oct. 3 by Clay Lyddane, MD PhD (Urology) to Marsha Hills, Executive Director. Via Christi Clinic employees raised the money through donations to participate in a jeans day held Sept. 2.

Alzheimer Families And The Holidays: Tips To Enjoy The Season

The holidays are a time when family and friends come together and share memories, laughs and good cheer. But for families living with Alzheimer's, the holidays can also be a difficult time.

Caregiving responsibilities layered on top of keeping up with holiday traditions can take its toll on Alzheimer families, especially the caregiver. The person with Alzheimer's may also feel a sense of loss during the holidays.

With some planning and adjusted expectations, your celebrations can be filled with joy and magical moments to cherish forever.

Adjust your expectations

No one, including yourself, should expect you to maintain every holiday tradition or event.

- Give yourself permission to do only what you can reasonably manage
- Choose holiday activities and traditions that are most important to you
- Host a small family dinner instead of a throwing a big holiday party
- Consider serving a catered or takeout holiday meal. Many grocery stores and restaurants offer meals to go.
- Start a new tradition. Have a potluck dinner where family or friends each bring a dish

Involve the person in the festivities

There are many manageable activities the person and you can do together, such as:

- Wrap gifts
- Bake favorite holiday recipes together. The person can stir batter or decorate cookies.
- Set the table. Avoid centerpieces with candles and artificial fruits and berries that could be mistaken for edible snacks.
- Talk about events to include in a holiday letter
- Prepare simple foods such as appetizers
- Read cards you receive together
- Look through photo albums or scrapbooks. Reminisce about people in the pictures and past events.
- Watch a favorite holiday movie
- Sing favorite carols or read biblical passages

When the person lives in a care facility

A holiday is still a holiday whether it is celebrated at home or at a care facility. Here are some ways to celebrate together:

- Consider joining your loved one in any facility-planned holiday activities
- Bring a favorite holiday food to share
- Sing holiday songs. Ask if other residents can join in.
- Read a favorite holiday story or poem out loud
