Alzheimer's Association

The world leader in Alzheimer research and support

Alzheimer's Association

Central and Western Kansas Office

LENDING LIBRARY - WICHITA

VIDEOS

ALON-VIDEO-2000 (Cys 1 & 2)

Alone...But Not Forgotten, Duke University Medical Center, 2000

This video reveals a common, but growing phenomenon in our society. Twenty percent of persons with Alzheimer's live alone, often unrecognized even in big cities.

(48 mins.)

ALS-VIDEO-2000

Alzheimer's Disease: Creative Survival

Shanks, Lela, 2000 (60 mins.)

ALZ101-VIDEO-1995

Alzheimer's 101: The Basics for Caregiving, South Carolina Commission on Aging, South Carolina ETV Network , 1995

A complete training package

ALZ-VIDEO-1994

Alzheimer's Disease: Inside Looking Out

An 18-minute video featuring persons with Alzheimer's disease sharing their experiences, followed by a tag video for those unfamiliar with the help available from the Association.

ALZH-VID/HP

Alzheimer's Disease...Lets Talk About It; Davis, Kenneth L. M.D. et al,

(14:47 mins)

ALZH-VID-1999 (Cys 1, 2, 3, & 4)

Alzheimer's Disease-Living in the Here and Now, National Council on the Aging, 1999

Keepsake – A Program on Memory, Aging and Alzheimer's

The video offers useful information and insights on memory, aging, and signs to watch for and importance of early diagnosis with regard to Alzheimer's. It has views of various medical personnel as well as first-hand accounts from people with the disease.

(15 mins)

ALZH-VIDEO-2004

Alzheimer's Disease: A New Hope Through Understanding.

Models of Hope Media, American Society Consultant Pharmacists (ASCP), 2004

An informative program for families, caregivers, and persons who have or suspect they have Alzheimer's Disease. Delivers a strong message and illustrates the importance of getting an early diagnosis.

ALZH-VID/OQOD 1997

Alzheimer's Disease: One Question at a Time...One Day at a Time, The Clinician, Patient and Caregiver Alliance, Pfizer Inc. and Eisai Inc.,1990 (Cy 1) 1997 (Cys 2, 3, & 4)

TriAD is an educational system designed to help caregivers and physicians better care for Alzheimer patients by creating an alliance between the health care provider, patient, and caregiver. Information contained in the video includes stages of the disease, support groups for caregivers, challenges for patients and caregivers, and the message that behaviors are treatable.

(25 mins.)

ALZH-VID/HP-1990

Alzheimer's Disease; Pieces of the Puzzle (Introduction); Scott, Randal, MSW, MBA, et al

This is an excellent presentation. It explains the disease process including what the patient is experiencing. It helps the caregivers understand the loved one's confusion.

(35 mins.)

ALZH-VID-HP-1990

Alzheimer's Disease Pieces of the Puzzle: A Practical Approach to Activities Daily Living

Scott, Randal, MSW, MBA, et al, University of Arizona Health Sciences Center, 1990 (Cys 1 and 2)

This video includes situations involving actual residents. It has interviews with the staff and their comments, as well as steps to follow. A nice review is at the end. (21 mins.)

ALZH-VID/HP 1990

Alzheimer's Disease Pieces of the Puzzle: A Practical Approach to Communication

Scott, Randall, MSW, MBA, et al, University of Arizona Health Sciences Center, 1990 (Cys 1 and 2)

This is a video very suitable for caregivers and the staff of Alzheimer facilities. The unique approaches are well explained. There are four good communication techniques which are discussed and then acted out using different situations. (23 mins.)

ALZH-VID/PRB 1990

Alzheimer's Disease Pieces of the Puzzle: Practical Approach to Problem Behaviors

Scott, Randall, MSW, MBA, et al., University of Arizona Health Sciences Center, 1990

This tape provides role-playing and solutions to behaviors and attitudes of caregivers toward behaviors of patients. It weighs issues dealing with problem behaviors and communication and how to do so effectively. (23 mins.)

ALZH-VID/REC 1990

Alzheimer's Disease Pieces of the Puzzle: A Practical Approach to Recreational Activities

Scott, Randall, MSW, MBA, et al, University of Arizona Health Sciences Center, 1990 (Cys 1 and 2)

This tape provide information in structuring recreational activities, and reasons for recreation. It stresses creation a positive atmosphere for a positive experience for the patient. It also provides insight into easing the patient into an activity. (17 mins.)

ALZH-VID/CDB-1997

Alzheimer's Disease Conference: Communicating and Difficult Behaviors

Androes, Jo, Alzheimer's Association, 1997

ALZH-VID-2000

Alzheimer's Disease: What Everyone Should Know

Novartis, Novartis Pharmaceuticals Corporation, 2000 (Cys 1 and 2)

An educational video, featuring TV personality Linda Dano, highlighting the warning signs of Alzheimer's disease, the importance of early diagnosis, available treatments, ongoing research and tips for family members dealing with the disease. (25 mins.)

APRE-VID-2000

A Prescription for Caregivers Take Care of Yourself; Terra Nova Films. (60 mins.)

ARCA-VID/CG

Arcadia-Alzheimer's Special Care Unit

Manor HealthCare

This video discusses the Arcadia Home. It does have some informative points about support groups. It would be beneficial to families looking for qualities of a good Alzheimer unit and a good model for looking into a placement home. (10 mins.)

BATH – VID/2003

Bathing without a Battle

Barrick, Ann Louise, PhD, Rader, Joanne, RN and Sloane, Philip, MD, University of North Carolina at Chapel Hill, 2003

Everyone working with Elders, from the administrators to the frontline caregivers, will benefit from understanding how we can make bathing pleasurable for our elders. This is a must see -- must understand -- much implement issue. (35 mins.)

CARE-VID-CG 1990

The Caregiving Series: Caring for the Caregiver

Alzheimer's Disease and Related Disorders Association, Inc., Drexel, Burham, Lambert Foundation, 1990 (Cys 1 and 2)

This video targets the issue of guilt felt by the caregiver. It reassures the caregiver that they did not give the loved one the disease, and therefore should not feel guilty. (20:15 mins.)

CARE-VIDEO-1990

The Caregiver Series: Communicating

Alzheimer's Association, Alzheimer's Disease and Related Disorders Association, Inc., 1990 (Cys 1, 2, 3, and 4) (19:33 mins.)

CARE-VID/CG 1990

The Caregiver Series: Managing Difficult Behaviors

Alzheimer's Association, Alzheimer's Disease and Related Disorders Association, Inc., 1990 (Cys 1 and 2) (21:27 mins.)

CARE-VID/CG 1990

The Caregiver Series: Meeting Daily Challenges

Alzheimer's Association, Alzheimer's Disease and Related Disorders Association, Inc., 1990 (Cys. 1 and 2) (15:06 mins.)

CARE-VID/CG 1990

The Caregiver Series: Safety First

Alzheimer's Association, Alzheimer's Disease and Related Disorders Association, Inc., 1990
Great video! Talks about new products for locking doors and other safety issues using real people, not actors. (Cys 12 and 3) (14:14 mins.).

CARE-SERIES-VID

Prairie View's "Care For the Caregiver" Series, 2002

This video is of a presentation, and unfortunately not of the highest quality definition. The information presented talks about many different types of dementia as well as their particular signs and symptoms and behaviors. This would be a good training video for new employees, nurses or social workers. Not a video that would be as well suited for support groups due to the length and amount of information.

Program 1 Introduction to Caregiver Training

Pierce, Kathy - "Caregiver Overview"; Benson, Stephen, MD - "Problem Solving Skills for Caregivers (23:25 mins)

Program 2 "Care Techniques for the Caregiver"

Benson, Stephen, MD - "Maintaining Relaxing & Pleasant Events"
Chapek, Suzanne - "Relaxation Exercises and Techniques" (34:45 mins.)

Program 3 "Preparing for the Physical Deterioration of the Care Receiver"

Reiger, Nate, PhD - "Getting the Most from Medical Care"
Casey, Diane and Colby, Chris - "Physical Therapy Tips and Techniques" (24:45 mins)

Program 4 "Preparing for the Mental Deterioration of the Care Receiver"

Benson, Stephen, MD - "Early Detection of Dementia" (45 mins.)

Program 5 "Legal Considerations as a Caregiver"

Bremyer-Archer, Jill - "General Estate Planning and Other Legal Issues" (36 mins.)

CARE-SPANISH-VID

Caregiving in Spanish, La Enfermedad de Alzheimer y El Cuidador

Alzheimer's Association, Star Chapter, El Paso, TX, 2002

CARE-VIDEO-2004

Caregiver Wellness

This video provides tools and resources to help caregivers transform stress and maintain wellness. Topics include: The importance of maintaining wellness as a caregiver; acknowledging and defusing difficult emotions; goal-setting and action plans as agents for positive change; simple, effective exercises for relaxation and renewal; activities that foster self-esteem and well being; and the role of respite and caregiver support groups.

CHAL-VIDEO-1993

Living with Alzheimer's, Challenges of Caregiving

Long Island Alzheimer's Foundation, Inc., Hoechst-Roussel Pharmaceuticals, Inc., 1993

The experts share their views on techniques and treatments for changing behavior of Alzheimer's sufferers. Caregivers share their thoughts about coping with the guilt, denial, self-neglect and depression that they experience. (35 mins.)

CLINI-VID/HP 1998

Clinical Profiles in Alzheimer's Disease Mild, & Moderate, Part 3

Green, Robert M.D. Narrator, Pfizer Inc and Eisai Inc., 1998 (Cys 1 and 2)

Informative video that includes, Physician diagnoses, causes of dementia and informal mental status assessments. Good for professionals and families to view to assist in knowing which stage their patient and/or family member is at in the progression of the illness. (25 mins.)

COGN-VID/HP

Cognex and Alzheimer's What You Need to Know

COMM-VID-CG-HP-1991

Communicating with the Alzheimer's-Type Population; The Validation Method

Naomi Feil, Edward Feil Productions 1991 (19 mins)

New Copy June 2007

COMM-VIDEO-2005

Communication - Caring for someone with mid to late stage Alzheimer's Disease, Vol. 5

Home Care Companion, Healing Arts Communications, 2005

This program explores some typical issues that occur in the mid to late stages of Alzheimer's disease. It will help you find solutions that can be applied to your own caregiving situation. Topics include: flexibility and humor: keys to caregiver well-being; changes that occur in mid to late stages; activities; tolerance levels; naps; repetitive calling out; sexuality and intimacy; pain management and incontinence and wetting. (19 mins.)

COMP-VID/CG-HP

Complaints of a Dutiful Daughter

DEAL-VID/HP

Dealing with Problem Mealtime Behaviors; Lake Co Health Department

Lake Co. Health Department, 1998

Perhaps this video would work best as a staff training film. (20 mins)

DEME-VID

Dementia and People with Intellectual Disabilities: What can we do? (2001) Also available in DVD (2007)

NYS Developmental Disabilities Planning Council, 2001

DETE-VID/CG 1991

Detecting Dementia (Cognitive Assessment for Home Health Professionals)

Washington University Alzheimer's Disease Center, 1991

Informational material for about anyone. Discusses warning signs, cognitive screening (memory, orientation and concentration) and functional assessments. Uses situational examples. (18:38 mins.)

DOCISIN-VIDEO-1997

The Doctor Is In

The Dartmouth-Hitchcock Medical Center, 1997

Dr. Barry Reisberg of the Aging and Dementia Research Center at NYU Medical Center explains the different stages of Alzheimer's and how family members can slow the ill effects of the disease. (28:17 mins.)

DRIV-VID/HP

Driving and Dementia

DRUG-VIDEO

DRUG-INDUCED MOVEMENT DISORDERS

AstraZeneca Pharmaceuticals, 2001

Practical suggestions to make EPS monitoring a part of every day care.

The elderly are particularly vulnerable to the neurological or 'movement disorder' side effects of antipsychotic medications. This is why the regulations qualifying facilities for reimbursement under Medicaid and Medicare require residents receiving these medications are monitored for these extra pyramidal symptom or (EPS)

EARL-VID 2007

Early Onset Memory Loss: A Conversation with Letty Tennis

Bryan, Joseph and Kathleen, Alzheimer's Disease Research Center, Terra Nova Films, 2007

This video shows a middle-aged woman in the early stages of Alzheimer's disease attempting to cope with the changes this has brought to her and to her family. This video also helps to break down public misconceptions about people with memory impaired illnesses. (22 mins.) (2 copies)

EDUC-VID-1998

The Educated Caregiver

LifeView Resources, Inc., 1998

Caregivers and professionals shared their knowledge and provided advice to others walking the same road they have personally gone down or have witnessed. This video would be beneficial for support groups, aging population and the “sandwich” generation.

Vol. 1 Coping Skills

Vol. 1 discusses the emotional challenges of Caregiving and how your physician can help; gaining control over a demanding daily routine; dealing with the natural feeling of helplessness, anger, resentment and guilt; the benefit of support groups; averting compassion fatigue; preparing for when your loved one leaves home; strategies to cut stress and adjusting to loss. (80 mins.)

Vol. 2 Hands-On Skills

Vol. 2 gives step-by-step demonstrations of key skills: giving a bed bath; oral hygiene and nail care; changing an occupied bed; preparing meals and help with eating; walking and getting around; dressing; making your home safe and caring for love one with visual or hearing impairments. (45 mins.)

Vol. 3 Essential Knowledge

Vol. 3 gives tips from doctors and other healthcare professionals: communicating effectively with a loved one; communicating effectively with healthcare providers; giving and monitoring medicines; understanding medication interactions; avoiding medication mistakes; preventing infections and using sterile techniques; preventing pressure ulcers (bedsores) and providing wound care and ensuring that your loved one enjoys proper nutrition. (48 mins.)

EMER-VID/HP 1992

Emergency Care for the Elderly

University of Pittsburgh, Alzheimer’s Disease Center, 1990/1992

Several scenarios are shown where emergency workers assisted the elderly. (35 mins.)

ETHN-VIDEO

Ethnic Communities and Dementia: Making a Difference

Washington State Department of Social and Health Services, Aging and Adult Services Administration,

Information on providing services to different cultural backgrounds.

(20:18 mins.)

EVEN-VIC-CG

Even These May Forget (A Pastoral Care Challenge Training Program for Clergy)

University of Pittsburgh, Alzheimer’s Disease Center, 1991

(18 mins.)

Wizard of Alzheimer's, Barbara Helm Family Day

FORG-VIDEO-2004

"The Forgetting"/On Call with Dr. Tana

Based on the book by David Shenk. (90 mins.) Also included on video

On Call with Dr. Tana Alzheimer's Special

Dr. Connie Marsh, Dr. Steven Benson, Carreen Simon. 30 minutes (2 copies)

Forgetting: A Portrait of Alzheimer's – Stories of Love, Courage and Hope (DVD)

Spanish language and Spanish sub-titles

GRAC-VID/CG

Grace

GRAN-VID/HP 1997

Grandma Lucille's Hug

Very good children's video using puppets to portray Grandma having Alzheimers. It teaches children about the disease and why Grandma acts the way she does. Very positive information for children presented.

(6 mins.)

GRAN-VID-(no date)

Grandma's Companion

Designed for individuals with Alzheimer's and other debilitating diseases. The video shows pictures with background music – designed to reduce agitation and create a sense of calm.

HALLMARK-VIDEO

“PICTURES OF Hollis Woods”

Taped from TV (Hallmark movie) (2007)

Hollis Woods is an orphan and foster child who has moved from family to family when she lands in the home of an eccentric lady Josie (Sissy Spacek) who has Alzheimer’s Disease.

INSI-VIDEO-1995

Inside Looking Out

This touching video allows viewers to get a real and vivid sense of what it's like to experience the early stages of progressive memory loss. Eight people diagnosed with early Alzheimer's disease, ranging in age from 44 to 88, talk openly about the impact of the disease on their lives, about their feelings, and about how they and those they love are coping. (19 mins.)

JUST-VIDEO

Just for the Summer

Churchill Films, 1991

A high school track star must come to terms with Alzheimer's disease when his grandmother comes to live with him and his parents "just for the summer" - until she's better. In an eloquent oral report in class, he finally talks about his grandmother, Alzheimer's and the compassion and understanding he's discovered. (29 mins.)

Center for Excellence in Aging Services – School of Social Welfare University at Albany.

INTE-DVD-2007

Intellectual Disabilities and Dementia (ver 1.0). Computer based course (2 CD set). Produced by the Center for Excellence in Aging Services, School of Social Welfare, University at Albany.

NOTE-DVD-2005

The Notebook, Nicholas Sparks, New Line Productions, Inc., 2005

Based on the best-selling novel by Nicholas Sparks. A heartwarming and heartbreaking love story. (124 mins.)

SAV-DVD-2007

The SAVVY Caregiver, HealthCare Interactive, Inc., 2007

Session 1: Introduction to Dementia and Caregiving (112 mins.)

You will learn about the basic elements of dementia and the thinking skills affected by dementia. You will also learn about your new role as a caregiver and effective ways to respond to changes in the behavior of your loved one.

Session 2: Minimizing Confusion and Taking Charge (104 mins)

You will learn how to reduce stress and take care of your self You will learn how confusion impacts challenging behaviors and how taking charge as a caregiver and providing support and a structured environment will have a positive impact for your loved one.

Session 3: Activities and Loss of Abilities (91 mins.)

You will learn about the stages of dementia decline, how to choose appropriate activities, and how to minimize confusion for your loved one.

Session 4: Providing Structure and Support (111 mins)

You will learn how to “right size” an activity to the strengths of your loved one and how to change the type of support and structure you provide as the disease progresses over time.

THER-DVD-2007

There is a Bridge

Hosted by Poet Laureate Robert Pinsky, with eye-opening portraits of people with Alzheimer’s disease, sparkling insights from preeminent thinkers, and poignant music by the Dixie Chicks. There is a Bridge will change your view of Alzheimer’s disease – and quite possibly how you see yourself. Alzheimer’s disease is not the end. Sometimes it can be a beginning.

UNDA-DVD-2008

Understanding Alzheimer's, Alzheimer's and Safety, Alzheimer's Association, 2008

Learn about Alzheimer's: what happens to the brain as Alzheimer's progresses; how to get a diagnosis and what to do next; how Alzheimer's disease affects behaviors; and treatments and care. Know how to stay safe: at home; while traveling; behind the wheel; while using medications, alcohol and other substances; and by avoiding wandering or getting lost. (Cys 1 and 2)

VAD-DVD

The Voices of Alzheimer's Disease moderated by Dan Kuhn, MSW, 11th National Alzheimer's Disease Education Conference.
