

Keeping the Memories Alive

alzheimer's  association™

The Alzheimer's Association, Central New York Chapter invites you to commemorate Mother's and Father's Day by paying tribute to a special person in your life.

Help us preserve memories for years to come by keeping yours alive. Gifts can be made in honor of a living person or in memory of someone we will never forget.

All gifts support the dual mission of the Alzheimer's Association — to find a cure for Alzheimer's disease and provide quality services to those touched by a dementing illness.

We will commemorate all of our tributes through this program on our website — www.alzcnny.org.
