

# Caregiver Support Groups

**Delaware, Fairfield, Fayette, Franklin, Hocking, Licking, Madison, Marion, Morrow, Perry, Pickaway, Pike, Ross and Union Counties**

Support groups for family members, caregivers and friends of people with Alzheimer's disease or related disorders meet regularly and are facilitated by a trained professional and or a family caregiver. These groups provide participants with an opportunity to discuss caregiving challenges and share helpful tips, while receiving support from others who are in similar situations. We have many support groups at various times and locations that are open and free to the public. **Please call the Support Group facilitator before attending the first time to confirm the meeting time and location.**

If you are a student interested in observing one of our support groups, please contact the Alzheimer's Association at the number below prior to attending. Students will not be permitted to observe a support group without prior authorization.
