**ALZHEIMER'S ASSOCIATION HOSTS CAREGIVER CONFERENCE IN GAINESVILLE , FL**

Gainesville, FL – The Alzheimer's Association Central and North Florida Chapter will host "A Day to Remember" Caregiver Conference on Tuesday, June 12th from 10:00 am to 3:00 pm. The conference will be held at Kanapaha Botanical Gardens Summer House Reception Hall, 4700 SW 58<sup>th</sup> Drive, Gainesville, FL.

This free event will provide a day of respite, relaxation and fun for caregivers. The day will be an opportunity to remember and honor caregivers for all they do and to learn how to keep memories alive for the person they care for.

The keynote speaker will be Carol Clendinen, MS, BS, RN, LMHC. She is a dynamic speaker and internationally recognized for her ability to create a broad and healthy emotional outlook for a variety of audiences. A former intensive care nurse and psychiatric hospital administrator, Carol has over 20 years of experience in the field of physical and emotional wellness. With skill, style and ready wit, Carol will captivate you through a practical and sensible approach to stress management, relationships, love, and life.

Additional speakers will discuss living with dementia and keeping memories alive. Free breakfast and lunch will be provided. Registration is required. To register for this free event, please call 352.372.6266 or 800.272.3900 Monday through Friday, 8:30 am – 4:30 pm.

The Alzheimer's Association Central and North Florida Chapter serves 31 counties by offering education, resources and training for persons with Alzheimer's disease or related dementias, their caregivers, and professionals in the health care community. The programs are priceless to the people living with Alzheimer's and the families and caregivers directly affected by the degenerative brain disease.

The Alzheimer's Association, the world leader in Alzheimer research, care and support, is dedicated to finding prevention methods, treatments and an eventual cure for Alzheimer's. Our mission is to eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health.

For more information about Alzheimer's disease or a related dementia, please contact the Alzheimer's Association Central and North Florida Chapter at 800.272.3900.
