The Alzheimer's Association Central and North Florida Chapter serves 31 counties by offering education, resources and training for persons with Alzheimer's disease or related dementias, their caregivers, and professionals in the health care community. The programs are priceless to the people living with Alzheimer's and the families and caregivers directly affected by the degenerative brain disease.

The Alzheimer's Association, the world leader in Alzheimer research, care and support, is dedicated to finding prevention methods, treatments and an eventual cure for Alzheimer's. Our mission is to eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health.

For more information about Alzheimer's disease or a related dementia, please contact the Alzheimer's Association Central and North Florida Chapter at 800.272.3900.
