

## CONNECTICUT CHAPTER Area Home Health Care Agencies

Many of the agencies listed provide a varied range of Home Health Services such as Skilled Nursing, Physical, Occupational and Speech Therapy; Medical Social Worker; Home Health Aide. Some provide Companion and Homemaker services, home-delivered meals and more. Note that almost all of the agencies listed cover many towns, not just the town where the office is located. In some cases statewide service is available.

| TOWN      | AGENCY   | PHONE/ADDRESS  | Certifications by the Alzheimer's Association | Home health services | Companion and Homemaker Services |

 This Facility has employees that have been trained by the Alzheimer's Association, Connecticut Chapter. The training programs provided by the Alzheimer's Association, Connecticut Chapter's Dementia Training Institute offer special education in dementia care. Please feel free to ask the facility how they have implemented their training. Facilities are certified in their training for two years from the training date listed. The policies of the Alzheimer's Disease and Related Disorders Association promote sharing resources. We do not endorse any product, person, agency or facility.
