

CONNECTICUT CHAPTER Skilled Nursing Facilities

The policies of the Alzheimer's Disease and Related Disorders Association promote sharing resources. We do not endorse any product, person, agency or facility. All of the facilities on this list report that they make some accommodations for persons with dementia. While not all have a distinct unit or specialized program, they at a minimum have safeguards in place for the risk of wandering. Please ask facility staff for further details.

Town	Facility	Phone	Notes
