**Dear Friend:**

**Move** to end Alzheimer's: Yes, we at the **Miami Valley Chapter** ***are*** on the **MOVE** to end Alzheimer's by providing localized and personalized hope and help through education and support to the over 30,000 persons in the Miami Valley with Alzheimer's disease and related disorders and their caregivers. The attendees of the **Chapter's 25th Anniversary Gala** were reminded of the devastating effects Alzheimer's has not only on the individual with the disease, but especially on the family and friends that suffer from watching the disease progress. Please help spread our message of hope to these individuals that they are not alone.

**A New Day** at the Alzheimer's Association: It is a **NEW DAY** of hope at the Alzheimer's Association. To advance our mission and our cause we are engaged in the community and nationwide. Association-wide we are unified in mission and message. The Alzheimer's Association is the leader in Alzheimer's support, advocacy and research. We are leading the fight against this disease and you can help. We invite you to join us in helping families in our community by participating in our Annual Appeal.

**Help Us** make a difference: Together **WE** can make a difference. **You choose.** Your donation can support 'full mission" which supports research, advocacy and programs ***or*** 100% of your donation can support individuals right here in our community by allowing us to provide professional in-person family assistance services. With your **HELP** with each **NEW DAY** we continue to be on the **MOVE** and a step closer to our vision of a world without Alzheimer's! Thank you so much for your consideration.

Sincerely,

Steven Arnold
