The Alzheimer's Association developed "Activity-based Alzheimer Care: Building a Therapeutic Program" with some of the nation's leading activity experts in dementia care to support care settings and caregiving staff in building therapeutic programs. Content and objectives are based on information and input from national focus groups, pilot programs, Association chapter representatives, and other national organizations.

Dates: December 30, 2008  
March 30, 2009 &  
June 5, 2009

Time: 9:00 am—4:00 pm  
 (registration starting at 8:30 am)

Location: Alzheimer's Association  
*Julie H.C. Bailey Training Center*  
 100 S. Main Street, Suite 211  
 Smyrna, DE 19977

## What attendees will learn

- ◆ The fundamental components of activity-based Alzheimer care
- ◆ To effectively examine assessment and care planning
- ◆ To identify program design options and method for implementation
- ◆ To adapt activities and the environment to better meet individual needs
- ◆ A variety of ways to evaluate new and current programs
- ◆ To identify and implement the various aspects of teamwork

## Who should attend

Activity professionals working with individuals with dementia in all care settings should not miss this program. If you have a basic understanding of Alzheimer's disease and your primary job responsibilities include activity programming design and implementation, the "Activity-based Alzheimer Care: Building a Therapeutic Program" is definitely for you.

## Continuing education

This program has been pre-approved for 7 contact hours by the National Certification Council for Activity Professionals (NCCAP). Professional CE certificates will be issued at the end of the program.

This program has been approved for .6 continuing education units (CEUs) through the American Therapeutic Recreation Association. The additional \$10 fee payable to ATRA for this CEU transcript is included in the total price.

**we're taking the lead to improve the quality of care — and the quality of life — for people living with dementia**

Price includes CEU processing fee, trainer fees, participant manual, certificate of completion, continental breakfast and light lunch.
