Marketing/Public Relations Intern – assist office staff in creating media materials.

Museum Tour Escort – take tours of local art museums with dementia patients and their caregivers.

Office Assistance – help create large mailings or assist in data entry.

Public Relations/Marketing Intern - help in creating press releases, publicity and outreach materials.

Sales Manager – handle postings, bidding and packaging process for auction and sales items.

Speaker's Bureau – help educate caregivers by offering free presentations to support groups or community education events.

Special Events Fundraisers – plan, prepare or be a part of your own special events.

Support Groups Facilitators – meet with caregivers at monthly support group activities. Bilingual skills are a plus.

Create your own opportunity –

- Do you have special talents not included in this listing?
- Do you need to complete a student practicum placement?
- Contact Volunteer Services to discuss other ways to become involved with us.
