desert southwest chapter

*No one needs to go through
this journey alone.*

The Desert Southwest Chapter has been providing support, services and information since 1981 to people with memory problems, families caring for them, and health providers.

We are a community-based 501c3 non-profit charitable organization, incorporated and governed by a local volunteer board of directors to provide services in Arizona and Southern Nevada.

Alzheimer's disease affects over 100,000 people in our Chapter. Support of the 13th Annual Golf Classic helps us fund the latest in research and provide critical programs and services to you, your friends, neighbors and loved ones, through:

Helpline – 24-hour confidential information, support and referral: 1-800-272-3900

Family Care Consultation – Individualized care to help families make informed decisions.

Education Programs – Increasing awareness and skills for individuals, families, and professionals.

Support Groups – Increasing knowledge and social support in a helpful, safe environment.

MedicAlert + Safe Return – Providing a 24-hour resource if a loved one wanders and becomes lost.

Early Stage Programs – Engaging, encouraging and empowering impacted individuals to fully utilize their strengths.
