

tribute flags

More than 68,000 Iowans currently suffer from Alzheimer's disease. That number doesn't include those who have passed away from the devastating effects of the disease or the caregivers who selflessly offer themselves as a loving testimony.

In an effort to honor those who have been impacted by Alzheimer's, **we are offering an opportunity to honor your loved one based on the Tibetan tradition of prayer flags.**

Tradition states that the flags contain heartfelt prayers. As the flags blow in the wind and unravel, the prayers are lifted to the heavens.

Each colorful 8 1/2 x 11 inch flag features the Alzheimer's Association logo and has the words "To Honor and Remember" followed by a space for a name. "Whose Precious Life We Rejoice" is printed beneath the name.

Please cut on the line below and return this form along with your payment in the enclosed envelope.
