Walk Raises \$240,000 to Fight Alzheimer's Disease

[Waterloo, Iowa, September 30] – Nearly 1900 Eastern Iowans were on the MOVE to end Alzheimer's disease on Saturday, September 26th at the Alzheimer's Association's Memory Walk® in Cedar Rapids, Coralville, Waterloo and West Union. The Cedar Valley Regional Memory Walk took place at Hawkeye Community College where nearly 500 walkers raised \$70,000 to fund Alzheimer's care, support, advocacy and research. The 2009 Memory Walk is on track to raise this year's goal of \$260,000.

“It is very encouraging that almost 500 residents of the Cedar Valley area became *Champions* in the fight against Alzheimer's disease at this year's Memory Walk,” said Kelly Hauer, Executive Director for the Alzheimer's Association East Central Iowa Chapter. “With funds raised at this year's Walk, the Alzheimer's Association will provide much needed care and support to people touched by the disease as well as research to fight Alzheimer's disease.”

The rain held off in the Cedar Valley as nearly 500 walkers attended the 2009 Memory Walk at Hawkeye Community College. Barb Burns, a local advocate, shared her testimony in a tribute to her mother who suffered with Alzheimer's disease.
