Alzheimer's Association East Central Iowa Chapter Memory Walk® Raises Awareness and Funds

Walk Raises \$240,000 to Fight Alzheimer's Disease

[West Union, Iowa, September 30] - Nearly 1900 Eastern Iowans were on the MOVE to end Alzheimer's disease on Saturday, September 26th at the Alzheimer's Association's Memory Walk® in Cedar Rapids, Coralville, Waterloo and West Union. The Northeast Iowa Regional Memory Walk took place at the West Union Recreation Center where 150 walkers raised \$10,000 to fund Alzheimer's care, support, advocacy and research. The 2009 Memory Walk is on track to raise this year's goal of \$260,000.

"It is very encouraging that almost 150 residents of Northeast Iowa became *Champions* in the fight against Alzheimer's disease at this year's Memory Walk," said Kelly Hauer, Executive Director for the Alzheimer's Association East Central Iowa Chapter. "With funds raised at this year's Walk, the Alzheimer's Association will provide much needed care and support to people touched by the disease as well as research to fight Alzheimer's disease."

The morning started off foggy, but the clouds lifted and the sun peeked its way through just in time for the walk. The North Fayette Cheerleaders kicked-off the 2009 Memory Walk with stunts and routines. Nearly 150 participants set out on the scenic paths around the West Union Rec Center, where they were entertained by local quartet group, Beyond Logic. Once the walkers completed their miles, they enjoyed refreshments and beverages provided by local donors and watched the North Fayette High School Dance Line perform special routines.
