Alzheimer's Association Memory Walk® Provides Fun Way for North East Iowa Residents to Raise Critically Needed Funds for Alzheimer's Care, Support and Research

[West Union, IA, July 24th] – The Alzheimer's Association is inviting residents in Northeast Iowa to become *Champions* in the fight against Alzheimer's by participating in the annual Alzheimer's Association Memory Walk®. The West Union Recreation Center will be site of the Memory Walk on Saturday, September 26th, with check-in at 8am and the walk to begin at 9am.

Alzheimer's disease is a growing epidemic that is now the seventh leading cause of death in the United States. It is estimated that someone in America develops Alzheimer's disease every 70 seconds. By mid-century someone will develop Alzheimer's disease every 33 seconds.

“There has never been a greater need for Iowans to join in the fight against Alzheimer's disease by participating in Memory Walk,” said Jessi Kelly, Outreach Specialist for the Alzheimer's Association East Central Iowa Chapter. “As many as 5.3 million Americans are living with Alzheimer's disease and funds raised will provide support services to the 67,000 residents of Iowa living with Alzheimer's, while also contributing to critically needed research.”

The Alzheimer's Association Memory Walk is an empowering event that gives participants an opportunity to be *Champions* and take action in the fight against Alzheimer's. In addition to the 1 or 3 mile walk, participants will enjoy live music, face painting, and the company of local sports mascots.
