Alliant Foundation awards \$5,000 to Alzheimer's Association in support of Relocation and Client Support Enhancement Project

Cedar Rapids, Iowa - The Alzheimer's Association East Central Iowa Chapter has been awarded \$5,000 from the Alliant Foundation. The grant will help fund the expansion and enhancement of the chapter's information and referral area, care consultation area and a training room which will provide space for dozens of community presentations, family and professional trainings and support group meetings.

Each year, more than 700 clients utilize the information and care consultation services offered by the Alzheimer's Association East Central Iowa Chapter. As part of the Alzheimer's Association core services, clients receive information about Alzheimer's and the disease process, referrals to community resources and care consultations with staff members who are dedicated to help navigate through the difficult decisions and uncertainties people with Alzheimer's disease and their families face at every stage of the disease.

For more information about the Alzheimer's Association or Alzheimer's disease call 800.272.3900 or visit www.alz.org/eci.

About the Alzheimer's Association:

The Alzheimer's Association is the leading voluntary health organization in Alzheimer care, support and research. Our mission is to eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health. Our vision is a world without Alzheimer's.
