**ALZHEIMER'S ASSOCIATION WALK TO END ALZHEIMER'S™  
ENGAGES AND INSPIRES CEDAR VALLEY**  
*Participants Raise Critically Needed Funds for Alzheimer's Care, Support and Research*

**[Waterloo, IA, August 26, 2011]** – The Alzheimer's Association is inviting Cedar Valley residents to unite in a movement to reclaim the future for millions by participating in the Alzheimer's Association Walk to End Alzheimer's. Hawkeye Community College will be the site of the event on Saturday, September 24 with check-in at Tama Hall starting at 9 a.m.

Walk to End Alzheimer's is more than a walk. It is an experience for the approximate 600 participants in the Cedar Valley who will learn about Alzheimer's disease and how to get involved with this critical cause, from advocacy opportunities, the latest in Alzheimer's research and clinical trial enrollment to support programs and services. Each walker will also join in a meaningful ceremony to honor those affected by Alzheimer's disease.

Alzheimer's disease is a growing epidemic and is now the nation's sixth-leading cause of death. As baby boomers age, the number of individuals living with Alzheimer's disease will rapidly escalate, increasing well beyond today's estimated 5.4 million Americans living with Alzheimer's. In addition to the 2.1 mile walk, participants will enjoy an appearance from the Cedar Valley Push-Up Brawlers, music from Checker and the Blue Tones, food and a special tribute to those who have experienced or are experiencing Alzheimer's. Start or join a team today at [alz.org/walk](http://alz.org/walk).

“There has never been a greater need for the citizens of the Cedar Valley to join in the fight against Alzheimer's disease by participating in Walk to End Alzheimer's,” said Ashley Shaw, Alzheimer's Association Public Relations and Outreach Coordinator. “Funds raised will provide

care and support services to the 69,000 residents of Iowa living with Alzheimer's, while also contributing to advancing critically-needed research."
