

A virtual support group designed for people caring for individuals with Alzheimer's disease or related dementias.

alzheimer's telephone talk

Do you have questions about Alzheimer's disease or a related dementia? Do you want more information but don't have the time to attend a presentation or a face to face support group? Are you a caregiver for a person with Alzheimer's disease or a related dementia? The Alzheimer's Association invites you to join us for a telephone talk. Every 4th Wednesday from noon to 1p.m. you have the opportunity to learn, get your questions answered and receive support without leaving your home or office.

Registration is required to participate.

Before the Meeting

- Interested persons register in advance with the chapter for that month's telephone talk.
- Participants will receive detailed instructions on how to access the teleconference system.

Meeting Format

- The first five or ten minutes of the call will offer new caregiver information or education followed by open discussion moderated by a facilitator.
- Each participant will have the opportunity to ask questions situations and get feedback and support from the leader and others on the call..

Location:

The support group takes place via tele-phone where ever you desire to place the call from.

Meeting Time:

The tele-support group meets on the fourth Wednesday of every month at NOON.

To register call: 319.294.9699 or 800.272.3900
