Alzheimer's Association East Central Iowa Chapter hosts VOICE the VISION Rally phone-a-thon in Cedar Rapids

(Cedar Rapids, January 12, 2010) – Alzheimer's disease is the 7th leading cause of death in the United States. Someone suffering from Alzheimer's will lose the ability to form thoughts, remember simple words, and ultimately communicate. We invite you to lend your VOICE for them. Join us for the Alzheimer's Association VOICE the VISION *Rally* on Tuesday, January 26th in Cedar Rapids and Waterloo. The high energy event will take place at KGAN-CBS2 studios in Cedar Rapids. VOICE the VISION *Rally* will raise funds and awareness for Alzheimer's disease to ultimately fulfill the vision of the Alzheimer's Association – a world with Alzheimer's.

VOICE the VISION *Rally* is an eleven-hour call-a-thon from 8 a.m. – 7 p.m. Each participant will have a one-hour time slot on the phone banks. Individuals are asked to contact their family, friends, peers and colleagues for donations to support the 16,000 Eastern Iowans diagnosed with Alzheimer's disease. Proceeds raised from the event will be used to advance the full mission of the Alzheimer's Association through vital research, education, support and advocacy.
