Why isn't Mary at work today?

Mary is a caregiver.
Her mother has Alzheimer's.

Would it surprise you to know the annual costs to U.S. businesses as a result of

❖ absenteeism and productivity loss associated with workers who are caregivers for people living with Alzheimer's disease is

\$28,238,000,000

❖ replacing workers leaving their employment to become fulltime caregivers for a loved one with Alzheimer's is

\$6,293,000,000

❖ continuing insurance and temporary worker replacement for Alzheimer's caregivers on leave is

\$1,917,000,000

❖ additional EAP usage by caregivers of a loved one with Alzheimer's is

\$63,560,000

❖ contributions to the health care of people with Alzheimer's disease is

\$24,458,000,000

❖ contributions toward federally funded research & related projects is

\$176,115,000

The Total Annual Costs of Alzheimer's disease to U.S. Businesses

\$61,145,675,000

The mission of the Alzheimer's Association is to provide a system of support services to people living with Alzheimer's disease or a related disorder and their caregivers through patient & family services, education, research and advocacy.

The support services we provide to caregivers helps lighten their burden allowing them to better maintain their employment, reduce illness due to stress and exhaustion, and decrease their need for employer paid resources.

The Alzheimer's Association is the largest private contributor of research to find a cure and prevention for Alzheimer's disease. Our funding of research reduces the long term burden on the federal budget. Our funding of research will assist in bringing this devastating disease to an end.

The Alzheimer's Association invites you to join our fight against Alzheimer's disease, our support of caregivers and our efforts to reduce the business cost of Alzheimer's disease by becoming a Corporate Member of the Alzheimer's Association – Florida Gulf Coast Chapter.

Your Corporate Membership will provide support for local services for people living with Alzheimer's disease, their caregivers and the research necessary to bring an end to this terrible disease.

Bronze Level Corporate Membership is available for an annual dues payment of \$500, with a special \$250 dues level for non-profit organizations. In appreciation of your support of the Florida Gulf Coast Chapter through Corporate Membership, we will list your company name, brief description of your business and phone number in two Chapter Newsletters and on our website. You will also be provided a plaque identifying you as a Corporate Member of the Alzheimer's Association.

Silver Level Corporate Membership is available for an annual dues payment of \$1,000. Silver Level Members enjoy all the benefits of Bronze Membership with the addition of a direct link from our Chapter's Website (www.alz-tbc.org) to your company's Website.

Gold Level Corporate Memberships are available for an annual dues payment of \$5,000. Gold Level Corporate Membership includes all the benefits of Silver Membership, plus recognition on the outside, mailing page of two newsletters and through one article in a Chapter Newsletter.

Emerald Level Corporate Membership is available for an annual dues payment of \$7,500. Emerald Level Corporate Membership includes all the benefits of Gold Membership, except recognition will occur on the front page of two Chapter Newsletters.
