

CLINICIAN TRACK

Thursday, July 16

Excel London, U.K., and Online

#AAIC26 @alzassociation

ALZHEIMER'S ASSOCIATION®

AAIC > 26 FOR ALL

AAIC For All is an opportunity for individuals who would not otherwise attend AAIC to learn about the latest research findings, featuring insights from world leaders in dementia science, U.K.-based presenters and Alzheimer's Association Experts.

9-10 a.m.

Registration Open

10-11:30 a.m.

Clinical Practice Guidance And Resources

This session offers dementia care professionals an in-depth look at the latest resources and tools developed by or in collaboration with the Alzheimer's Association. Attendees will gain practical insights into the latest on diagnostic evaluation, appropriate use recommendations, cognitive assessments, biomarker testing, and more. The session will also highlight key resources equipping clinicians and dementia health care professionals with actionable information to enhance their everyday practice.
