## younger-onset dementia support group

The Alzheimer's Association Greater Michigan Chapter-West Michigan Region is sponsoring a support group for persons in the early stages of younger-onset dementia and their care partners.

Younger-onset...

- is a diagnosis of Alzheimer's or other dementia when the person is younger than 65.

Individuals with younger-onset dementia who would like to participate in this group should be able to sit in a social group for one hour and be able to discuss the experience of progressive memory loss.

Topics for discussion will be participant driven.

Join us to meet other people learning to cope with progressive memory loss to share ideas and learn from each other in the spirit of mutual support.

### Location, Day and Time:

Faith Lutheran Church  
2740 Fuller Avenue NE  
Grand Rapids, MI 49505

**1st Tuesday of every month from 6:30 to 7:30 PM**
