A.C.E. Program

Tuesday, September 1, 2009
Stonebridge Ranch
Hills Course
McKinney, Texas
Shotgun Start at 8:00 a.m.

Chip-in Fore the Causes

Alzheimer's Association

Alzheimer's disease is a progressive and fatal brain disorder affecting as many as 5.3 million Americans. Today it is the seventh-leading cause of death in the United States.

There is no current cure for Alzheimer's, but treatments for symptoms, coupled with the right services and support, can make life better for people living with the disease.

There is a growing world-wide effort underway to find new ways to treat the disease, delay its onset, or prevent it from developing.

A portion of the proceeds from the Chip-in Fore Charity Classic will be donated to the Greater Dallas chapter of the Alzheimer's Association, a tax-exempt, 501(c)(3) nonprofit, donor-supported organization. The chapter uses 75 percent of all funds raised for programs, services and research efforts.

NTPGA Junior Golf Foundation

The Northern Texas PGA Junior Golf Foundation is committed to introducing the game of golf to children of all ages and socioeconomic backgrounds. It provides instruction and playing opportunities to boys and girls of various skill levels, administers a scholarship program, and serves as a clearinghouse for junior golf related activities.

The Foundation, a 501(c)(3) tax exempt organization, has a membership of more than 2,700 junior golfers, and is the largest and most comprehensive organization of its kind. A portion of the proceeds from the Chip-in Fore Charity Classic will be donated to the NTPGA Junior Golf Foundation.

A.C.E Program

The Assistants' Campaign Fore Education (A.C.E.) program helps PGA apprentices offset the cost of their professional education. The program makes bag tags available to apprentices to sell to friends, family and members of their clubs. Apprentices use funds raised through bag tag sales to help pay for required PGA training courses.

A portion of the proceeds from the Chip-in Fore Charity Classic will be donated to the A.C.E. Program.

Stonebridge Ranch, Hills Course

The course is a 27-hole Arthur Hills designed facility built in 1988. The Chip-in Fore Charity Classic will be played on holes 1-18.
