

the compassion to care, the leadership to conquer

The Founders Society

The Founders Society is an honorary society created by the Alzheimer's Association as a way of bringing those who make a bequest or lifetime gift into our extended family. As a Founders Society member, you become eligible to receive the following:

- Special mailings about the Association and the disease, including updates and research advances in the fight against Alzheimer's disease.
- Notices of meetings and other Alzheimer's Association events.
- When substantial estate planning and tax issues arise, we will provide you with information about those changes and how they affect you.

By informing us of your plan, you will automatically be enrolled in this prestigious society.

Thank you for thinking of the Alzheimer's Association.
