## Featured Speakers

**Janelle L. Cooper, M.D., F.A.A.N.**

Dr. Janelle Cooper is a board certified neurologist with a subspecialty in behavioral neurology with an emphasis and research interest in memory loss. After directing a memory center in northeast Wisconsin for a decade, she joined the Neuroscience Center of Gundersen Lutheran to direct the memory center in La Crosse in 2008. Janelle’s current research focus is on the role of vitamins B5 and B7 in the development of Alzheimer’s disease and other forms of memory loss.

### Asenath LaRue, Ph.D.

Dr. La Rue is a neuropsychologist and Senior Scientist at the Wisconsin Alzheimer’s Institute at the UW-Madison School of Medicine and Public Health. She has been a clinician, researcher and educator in the fields of aging and dementia for over 25 years. She is the author of several books and other research and clinical publications. She has also helped to care for a parent with dementia.

### Camille Wade Maurice, MSW

Camille Wade Maurice, an internationally known speaker has traveled the U.S. and Canada speaking to health care professionals and those they serve. She has been a social worker, administrator, clinician, college professor and consultant. Camille has authored numerous video presentations for health care professionals.
