

You can make it happen ... a world without Alzheimer's disease.

Alzheimer's Association Volunteer Recruitment

The Alzheimer's Association is the leading voluntary health organization that is committed to eliminate Alzheimer's disease through the advancement of research, to provide and enhance care and support for all affected and to reduce the risk of dementia through the promotion of brain health. Since 1982, the Alzheimer's Association, Aloha Chapter has helped thousands of Hawaii's residents care for their loved ones living with Alzheimer's disease. Through specialized classes counseling and support for family caregivers, general outreach education programs and training for emergency first responders state-wide, the Aloha Chapter aims to increase awareness of Alzheimer's disease and improve the care available for those suffering from the disease.

We can use your help in the following areas:

- Special events, such as galas and other fundraisers
- Walk to End Alzheimer's
- Public education and awareness programs
- Health Fairs and Conferences
- Office help
- Speaking Bureau Representative
- Support Group Facilitators
- Advocacy

Support Group Facilitator

Caregiver Support Groups are designed to provide emotional, educational and social support for caregivers through regularly scheduled meetings. They help participants develop coping skills and encourage caregivers to maintain their personal, physical and emotional health, as well as optimally care for the person with dementia.

Support Group Facilitators provide the essential service to residents on Oahu who have family members struggling with Alzheimer's disease and related dementias. The Alzheimer's Association, Aloha Chapter can provide you with hands on experience running facilitated Support Groups. We need compassionate individuals with strong interpersonal skills to facilitate monthly Support Groups in the Aina Hina, Ward Warehouse, Mililani and Kapolei areas. Major duties include facilitate groups and maintain attendance records. Orientation training and ongoing guidance provided by MSW and PhD level social workers. Masters-level professional in social work, counseling psychology or other human service fields preferred.

Speaker's Bureau Representative

Are you interested in increasing your public speaking skills? The Alzheimer's Association, Aloha Chapter may offer the perfect opportunity to both develop experience while building your resume. The Aloha Chapter is expanding its Speaker's Bureau to increase community awareness of how to maintain brain health, the warning signs of Alzheimer's disease and services provided by the Alzheimer's Association.
