

# 2007 ALZHEIMER'S ASSOCIATION RESOURCE DIRECTORY CHALLENGE

**Thank you** to all of the Alzheimer service providers who have made the commitment to participate in the Alzheimer's Association's 2007 Resource Directory Challenge, thus far!

**All** Aging/Health/Community/Alzheimer Service Providers listed in the Alzheimer's Association, Hudson Valley/Rockland/Westchester, NY Chapter's Resource Directory have been invited to **STEP-UP** and help us increase our impact on the local families we are charged to serve in 2007, by financially supporting Association events to the best of their ability, and by serving in an active role on event and outreach committees.

Although the Alzheimer's Association does not endorse particular products or services, we are publishing the list of Challenge Participants who have pledged their support of local families impacted by Alzheimer's disease in 2007. The list of these tireless sponsors/underwriters(\*) and volunteers will be made available through Association program, outreach and educational activities in Dutchess, Orange, Putnam, Rockland, Sullivan, Ulster and Westchester Counties, until December, 31, 2007.

**ATTENTION:** This is the final Resource Directory Challenge list of the year. To learn more about how to be included in this list in 2008, please contact your local Alzheimer's Association events manager.

Thanks again, for stepping up and making an investment in the lives of those we both serve!
