

the compassion to care, the leadership to conquer

## **30 Second Spot**

Today, more than 500,000 Illinois residents are impacted by Alzheimer's disease. That number will rise as the "baby boomers" enter the age of greatest risk.

The Alzheimer's Association – Greater Illinois Chapter wants you to join us as we "Strike out Alzheimer's" on May 31, at 9:00 a.m. and 11:00 a.m. at Brunswick Zone-Romeoville in Romeoville, IL.

For more information, please contact our Joliet office at 815.744.0804 or visit [www.alz.org/illinois](http://www.alz.org/illinois). Together we can "Strike out Alzheimer's".
