MEDIA RELEASE

Date: July 26, 2011

Distribution: For Immediate Release

Alzheimer's Association First Friday's Program "Medication and Research"

"Medication and Research" will be the topic of the **August 5th First Fridays** Program hosted by the Alzheimer's Association - Central Illinois Chapter, Quincy Area Branch. The lunch time event will be begin at **11:45 a.m. at the Quincy Senior and Family Resource Center, 639 York St., Quincy.**

Guest Speaker will be Douglas N. Sullivant, MD, a neurologist at Quincy Medical Group. He is Board Certified with the American Board of Psychiatry and Neurology, Inc., and a member of the American Academy of Neurology.

Dr. Sullivant will be discussing new developments in medications and treatments of Alzheimer's disease.

The program is free to the public although reservations are required. Lunch will be served at 11:45 a.m.; the presentation will begin at Noon. Caregivers can also take advantage of respite care available through the Adult Day Care Center located at the Senior Center and through homemaker services. Advance registration is required for respite care.

The Alzheimer's Association - Central Illinois Chapter provides free services to caregivers and those with memory loss problems including education programs, 24-hour telephone Helpline, library, newsletter, advocacy, care consultations and registration in the national MedicAlert+Safe Return program.

The program is made possible through a grant from the West Central Illinois Area Agency on Aging. To register, please call 228-1111. For disease and caregiving information, visit the agency's website at www.alz.org/illinoiscentral.
