Frankie's loveable, animated attitude will take the crowd on a crazy roller coaster full of uproarious laughter. His appearances on *Going Bonkerz*, *Comic Relief*, *Caroline's Comedy Hour*, and *MTV's Half Hour Comedy Hour* have made him a favorite of audiences nationwide. He gasses the masses and that's a fact as he was the first place winner in the Coconut Comedy Laff-Off.

Derrick has been doing comedy for as long as he can remember. Unfortunately, since he has Alzheimer's, that might not be very long. Hey! who's counting, math major? Because of an injury, Derrick is unable to use his left arm. "Lefty" as he calls his arm, (don't ask), finds his ways in to a lot of Derrick's material. His unique, often inspirational, form of comedy will leave you with both laugh lines, AND a good perspective on life...OK, and like 10-20 less dollars in your wallet. Thirty-five if you buy the t-shirt.
