

HOPELESS

THE ALZHEIMER'S PROJECT

AN **HBO** DOCUMENTARY FILMS MULTIMEDIA EVENT

Free Special Screening of "Momentum in Science"

Part I:

Tuesday, July 14

Part II:

Tuesday, July 28

Beginning at 3 p.m.

Alzheimer's Association Large Conference Room
50 E 91st St., Ste. 100, Indianapolis

This two-hour, two-part documentary takes viewers inside the laboratories and clinics of 25 leading scientists and physicians, who seek to ultimately prevent and cure Alzheimer's.

Following the screening, there will be time to discuss highlights of the film and get your questions answered by *Dr. Ann Marie Hake, MD.* of the Indiana Alzheimer's Disease Center and Indiana University School of Medicine

Please register for this program by calling:
