EDUCATION PROGRAM UNVEILS WELL KEPT SECRETS ON VETERANS AID & ATTENDANCE

INDIANAPOLIS, IN –The Alzheimer's Association of Greater Indiana is offering a free workshop entitled, "*Veterans Aid & Attendance*," on October 14 from 3 – 4:30 p.m. at the Alzheimer's Association office, 50 E. 91st St.

The Veterans Aid & Attendance program provides a tax free income to veterans and their spouses to pay for health care costs including home care, assisted living and nursing homes. You do not have to be associated with the veteran's hospital, be a career military person, or have a service connected disability to receive benefits. However, service dates are a factor in determining benefits.

Join Wesley Young, registered representative, as she presents valuable information for both families and professionals who need to know more about the veterans program.

The program is free and registration is encouraged. To reserve a space or for additional information, call the Alzheimer's Association Helpline at 800.272.3900.

Today, approximately 5.3 million Americans have Alzheimer's disease, including 120,000 Hoosiers. Every 70 seconds, someone develops Alzheimer's disease, making Alzheimer's disease the 6th leading cause of death. The direct and indirect costs of Alzheimer's disease and other dementia amount to more than \$148 billion annually.

The Alzheimer's Association is the world leader in Alzheimer's research and support. Having awarded more than \$150 million to nearly 1,300 research projects, the Alzheimer's Association is the largest private funder of Alzheimer research. The Association's vision is a world without Alzheimer's disease. For more information about Alzheimer's disease, call 800.272.3900 or visit www.alz.org/indiana.
