

Team Member Recruitment

Dear _____,

Alzheimer's disease is the sixth-leading cause of death in the United States today. I've decided to get moving to stop it - and I'm asking you to join me!

I'm participating in the 2009 Alzheimer's Association Memory Walk®, the nation's largest event to raise awareness and funds to fight Alzheimer's disease. ***(add your local walk information here)***. By joining my team, you can help end this epidemic and show your support for the more than 5 million individuals currently living with the disease.

The Alzheimer's Association is the largest voluntary health organization in Alzheimer care, support and research, and the funds we raise will go directly toward supporting their efforts.

I hope you, as well as others you'd like to recruit, will join my team and my fight against Alzheimer's disease. Please contact me at ***(enter contact information)*** to find out how to register.

Your friend,
