

## **Team Member Recruitment**

Alzheimer's disease is the sixth-leading cause of death in the United States today. It's time to reclaim the future - a future free from this disease. Will you join me?

I'm participating in the 2011 Alzheimer's Association Walk to End Alzheimer's™, the nation's largest event to raise awareness and funds to fight Alzheimer's disease. The local Walk will take place on \_\_\_\_\_ at \_\_\_\_\_. By joining my team, you can help end this epidemic and show your support for the more than 5 million Americans living with the disease.

The Alzheimer's Association is the largest voluntary health organization in Alzheimer care, support and research, and the funds we raise will go directly toward supporting their efforts.

The end of Alzheimer's starts here with us. I hope you'll join my team! Also, if you know of others who would like to join us in our efforts, please invite them to join the team as well. Please contact me at \_\_\_\_\_ to find out how to register or logon to my personal team page at \_\_\_\_\_ and register online.
