Staff Training

Alzheimer's Association Publications

Assisted living policy recommendations.

Outlines the most critical issues in assisted living regulations for person with Alzheimer's disease and their families.

Chicago, IL: Alzheimer's Association National Office, 2004.

Single copy free: (800) 272-3900

Available online.

http://www.alz.org/national/documents/assisted_living_recomm.pdf

CARES: a dementia caregiving approach™.

Chicago, IL; Minneapolis, MN: Alzheimer's Association National Office; Healthcare InterActive, Inc., 2006.

A learning program developed by the Alzheimer's Association in conjunction with [HealthCare Interactive, Inc.](#) Although it is geared toward direct care workers and other staff who care for those with Alzheimer's, CARES can be a background guide for educators who are creating training programs for family caregivers.

<http://hci.hcinteractive.com/index.cfm?event=cares.home>

Dementia care practice recommendations.

Chicago, IL: Alzheimer's Association National Office, 2005.

The dementia care practice recommendations seek to help assisted living residences and nursing homes nationwide provide a consistent, high quality level of care for individuals with dementia. Based on the latest evidence in dementia care research and the experience of care experts, Phases 1 & 2 contain recommendations on the fundamentals of dementia care and six practice areas. Phase 3 contains practice recommendations for end of life care. Phase 4 contains practice recommendations for professionals working in a home setting.

Available online.

http://www.alz.org/professionals_and_researchers_dementia_care_practice_recommendations.asp

Dementia care training.

Chicago, IL: Alzheimer's Association National Office, 2002.

A selection of classroom and online training programs offered by the Alzheimer's Association with a downloadable brochure.

Single copy free: (800) 272-3900

http://www.alz.org/professionals_and_researchers_11176.asp

Exploring pathways to solutions to long-term staffing solutions.

Chicago, IL: Alzheimer's Association National Office, 2002.

Single copy free: (800) 272-3900

Available online.

<http://www.alz.org/national/documents/WorkforcepaperJRiggs02.pdf>

Foundations of dementia care.

Chicago, IL: Alzheimer's Association National Office, 2008.

Field-tested classroom training providing an understanding of dementia and individual resident needs, skill building from simple to advanced, best practice models of care, and CEU certificates.

http://www.alz.org/professionals_and_researchers_foundations_of_dementia_care.asp

Planning for a pandemic/epidemic or disaster: caring for persons with cognitive impairment.

Chicago, IL: Alzheimer's Association National Office, 2006.

Single copy free: (800) 272-3900

Professional Organizations & Policy Agencies

American Association for Geriatric Psychiatry.

Bethesda, MD.

A membership organization in the field of geriatric psychiatry promoting the mental health and well being of older people, including those with late-life mental disorders. The association is involved in setting standards of practice for care and public awareness through information, advocacy, and research.

(301) 654-7850

<http://www.aagponline.org>

American College of Healthcare Administrators.

Alexandria, VA.

A membership organization providing educational programming, certification, and career development.

(888) 882-2422

<http://www.achca.org>

American Geriatrics Society.

New York, NY. An association of geriatrics health care professionals, research scientists, and others interested in improving the health, independence and quality of life of all older people through programs, research, education, and public policy.
(212) 308-1414 <http://www.americangeriatrics.org>

American Organization of Nurse Executives.

Washington, DC.

A membership organization with local chapters for nurse administrators and leaders. Noteworthy are their position statements and white papers.

(202) 626-2240

<http://www.aone.org>

National Academy for State Health Policy.

Portland, ME. This organization maintains regulations for assisted living by state and links to relevant sites.

(207) 874-6524

<http://www.nashp.org>

National Association of Directors of Nursing Administration in Long-Term Care.

(NADONA/LTC).

Cincinnati, OH.

A non-profit organization serving directors and assistant directors of nursing in long-term care. Notable is the archive of full-text articles from their association journal, *The Director*.

(800) 222-0539

<http://www.nadona.org>

National Association of State Medicaid Directors.

Washington, DC Provides information on communication between the states and the federal government on issues pertinent to the Medicaid program.

(202) 682-0100

<http://www.nasmd.org>

National Clearinghouse on the Direct-care Workforce.

This Web site contains news, fact sheets, white papers, surveys, advocacy information, demographics, and other topics affecting direct-care workers.

<http://www.directcareclearinghouse.org>

National Gerontological Nursing Association.

Pensacola, FL.

Promotes research and provides information, educational programs, and grants for nurses whose practice includes older adults.

(800) 723-0560

<http://www.ngna.org>

Pioneer Network.

Rochester, NY.

A coalition of organizations, administrators, and individuals interested in culture change in practice, services, public policy and research, that develops and provides access to resources and leadership in aging and long term care and hosts a national conference.

<http://www.pioneernetwork.net>
