

## Nutrition and Alzheimer's Disease

This list is a reviewed collection of items prepared by the Alzheimer's Association Green-Field Library staff. Contact your local chapter or local library for availability of the items.

### On this resource list:

Alzheimer's Association Publications

Caregiving, Family

Caregiving, Professional

- Artificial Nutrition – Hydration – Tube Feeding
- Meal Strategies
- Nutrition Concerns

Clinical Studies

Training

### Alzheimer's Association Publications

When Internet access is unavailable, copies of the Alzheimer's Association publications are available by calling (800) 272-3900.

*Alzheimer's Association dementia care practice recommendations for assisted living residences and nursing homes phases 1 and 2.*

Chicago, IL: Alzheimer's Association National Office, 2006.

Geared toward staff working in assisted living facilities and nursing homes, these practice recommendations cover fundamentals of dementia care and six priority care practices including food and fluid consumption.

Green-Field Library does not own.

## Book and Book Chapter

Berg, G. *The importance of food and mealtime in dementia care: the table is set.*

London, UK: Jessica Kingsley Publishers, 2006. ISBN: 9781843104353.

Green-Field Library does not own.

Crawley, H. *Food, drink and dementia: how to help people with dementia eat and drink well.*

Stirling, Scotland: Dementia Services Development Centre, 2002. ISBN: 9781857691542

Green-Field Library does not own.

Jones, M. Nutrition in dementia care. IN: *Gentlecare: changing the experience of Alzheimer's disease in a positive way.*

Point Roberts, WA: Hartley & Marks Publishers Inc., 1999, pp. 213 - 258.

ISBN: 0881791717.

Contains chapters on the act of eating, good nutrition, and meals as an activity.

Green-Field Library Call No.: WM 220 J78 1999

Lovette, K. Feeding the patient. IN: *Loving care for Alzheimer's patients: practical solutions for caregivers and their families.*

Los Angeles, CA: Health Information Press, 1999, pp. 27-30. ISBN:

1885987161.

Green-Field Library Call No.: WM 220 L911 1999

Newton, L.; Stewart, A. *Finger foods for independence: for people with Alzheimer's disease and others who experience eating difficulties.*

Adelaide, South Australia: Creative State, 1997. ISBN: 0958721009.

Green-Field Library Call No.: WM 220 N564 1997

Nutrition for Alzheimer's disease. IN: Bellenir, K. *Alzheimer's disease sourcebook.*

Detroit, MI: Omnigraphics, Inc., 2003, pp. 235-237. ISBN: 0780806662.

This resource provides basic information on diet, medications, constipation, dining environment, amount and rate of intake, thirst, and maintaining weight for persons with Alzheimer's, while no special diet is required unless there is another condition.

Green-Field Library Call No.: WM 220 A44 2003

Weihofen, D.L.; Robbine, J.; Sullivan, P.A. *Easy-to-swallow, easy-to-chew cookbook: over 150 tasty and nutritious recipes for people who have difficulty swallowing.*

Indianapolis, IN: Wiley Publishing, Inc., 2002. ISBN: 9780471200741.

Green-Field Library does not own.

Weiss, E. *Managing nutrition in dementia care: a supportive approach for caregivers.*

Depew, NY: Alzheimer's Association, Western New York Chapter, 2001.  
Green-Field Library Call No.: WT 115 W429 2001

### News article

*Feeding dementia patients with dignity*

Rabin, R.C.

New York, NY: New York Times Inc., Aug 2, 2010.

## Caregiving, Professional

### Artificial Nutrition – Hydration - Tube Feeding

Arinzon, Z.; Peisakh A.; Berner, Y.N. Evaluation of the benefits of enteral nutrition in long-term care elderly patients. *Journal of the American Medical Directors Association*. Nov 2008; vol. 9(9), pp. 657-662.  
Green-Field Library owns.

Feeding tube trends & safety protocols released. *Journal of Gerontological Nursing*. May 2010; vol. 36(5), p. 19.  
Green-Field Library owns.

Gaines, D.I.; Durkalski, V.; Patel, A.; et al. Dementia and cognitive impairment are not associated with earlier mortality after percutaneous endoscopic gastrostomy. *JPEN: Journal of Parenteral & Enteral Nutrition*. Jan-Feb 2009; vol. 33(1), pp. 62-66.  
Green-Field Library does not own.

Gillick, M.R.; Volandes, A.E. Standard of caring: why do we still use feeding tubes in patients with advanced dementia? *Journal of the American Medical Directors Association*. Jun 2008, vol. 9(5), pp. 364-367.  
Green-Field Library owns.

Kuo, S.; Rhodes, R.L.; Mitchell, S.L.; et al. Natural history of feeding-tube use in nursing home residents with advanced dementia. *JAMDA: Journal of the American Medical Directors Association*. May 2009; vol. 10(4), pp. 264-270.  
Green-Field Library owns.

Palecek, E.J.; Mitchell, S.L. Comfort feeding only: a proposal to bring clarity to decision-making regarding difficulty with eating for persons with advanced dementia. *Journal of the American Geriatrics Society*. Mar 2010; vol. 58(3), pp. 580-584.  
Green-Field Library owns.

### Articles, Journal

Baron, M. Tube feeding decisions with end-stage dementia. *Health Care Food & Nutrition Focus*. Sep 2006; vol. 23(9), pp. 3-6.  
Green-Field Library does not own.

Cervo, F.A.; Bryan, L.; Farber, S. To PEG or not to PEG: a review of evidence for placing feeding tubes in advanced dementia and the decision-making proves. *Geriatrics*. Jun 2006; vol. 61(6), pp. 30-34.  
Green-Field Library does not own.

Dharmarajan, T.S.; Unnikrishnan, D. Tube feeding in the elderly. The technique, complications, and outcome. *Postgraduate Medicine*. Feb 2004; vol. 115(2), pp. 51-54, 58-61.  
Green-Field Library does not own.

DiBartolo, M.C. Careful hand feeding: a reasonable alternative to PEG tube placement in individuals with dementia. *Journal of Gerontological Nursing*. May 2006; vol. 32(5), pp. 25-33; quiz 34-35.  
Green-Field Library owns.

Gillick, M.R. The use of advance care planning to guide decisions about artificial nutrition and hydration. *Nutrition in Clinical Practice*. Apr 2006; vol. 21(2), pp. 142-146.  
Green-Field Library does not own.

Pasman, H.; Roeline, W.; Onwuteaka-Philipsen, B.D; et al. Discomfort in nursing home patients with severe dementia in whom artificial nutrition and hydration is forgone. *Archives of Internal Medicine*. Aug 2005; vol. 165(15), pp 1729-1735.  
Green-Field Library does not own.

Pasman, H.; Roeline W; Onwuteaka-Philipsen, B.D.; et al. Forgoing artificial nutrition and hydration in nursing home patients with dementia: Patients, decision making, and participants. *Alzheimer Disease and Associated Disorders*. Jul-Sep 2004, vol. 18(3), pp. 154-162.  
Green-Field Library owns.

Pasman, H.; Roeline, W.; Onwuteaka-Philipsen, B.D; et al. Predictors of survival in nursing home patients with severe dementia in whom artificial nutrition and hydration are forgone. *International Psychogeriatrics*. Jun 2006; vol. 18(2), pp. 227-240.  
Green-Field Library owns.

## Videos

### *Injury prevention / preventing choking and aspiration.*

Chicago, IL: Terra Nova Films, Inc., 1996.

1 videocassette (13 min.)

Factors that put a person with dementia at risk, prevention, and practical tools for preventing choking and aspiration are covered in this video.

Green-Field Library Call No.: WA 250 VC no. 745 1996

### *Injury prevention / preventing foodborne illness.*

Chicago, IL: Terra Nova Films, Inc., 1996.

1 videocassette (10 min.)

This video covers the health risks in food preparations for older people and offers techniques to avoid food poisoning.

Green-Field Library Call No.: WA 250 VC no. 746 1996

### *Injury prevention / preventing malnutrition.*

Chicago, IL: Terra Nova Films, Inc., 1996.

1 videocassette (11 min.)

The risk factors, symptoms of malnutrition and techniques for improving appetite and eating are covered in this video.

Green-Field Library Call No.: WA 250 VC no. 744 1996

*Preventing undernutrition / dehydration and invasive treatments in the geriatric patient.*

Shavertown, PA: Geriatric Video Productions, 1995.

1 videocassette (17 min.)

This video presents risk factors, preventative strategies, detection, and ongoing assessment of dehydration and malnutrition in geriatric patients.

Green-Field Library Call No.: WT 115 VC no.1008 1995

*Unopened milk carton: eating with assistance.*

Baltimore, MD: Video Press, 1996.

1 videocassette (20 min.)

Demonstrates the ways in which nursing assistants and other caregivers can assist the elderly in feeding themselves.

Green-Field Library Call No.: QU 145 VC no.474 1996

## Books and Book Chapter

*Assisting with nutrition and hydration in long-term care.*

Albuquerque, NM: Hartman Publishing, 2004. ISBN: 1888343737.

Green-Field Library Call No.: WB 400 A848 2004

*Evaluation of the management of patients with feeding and swallowing problems in Veterans Health Administration facilities.*

Washington, DC: VA Office of Inspector General, Department of Veterans Affairs, 2006.

<http://www.va.gov/oig/54/reports/VAOIG-03-00494-110.pdf>

Green-Field Library Call No.: WI 250 E92 2006

Hellen, C.R. Eating – mealtime challenges and interventions. IN: Kaplan, M.; Hoffman, S. (eds). *Behaviors in dementia: best practices for successful management.*

Baltimore, MD: Health Professions Press, 1998, pp. 193-225. ISBN: 1878812432.

Green-Field Library Call No.: WM 220 B419 1998

*Planning guide for dementia care at home: a reference tool for care managers.*

Madison, WI: Alzheimer's Association – South Central Wisconsin; Alzheimer Institute, University of Wisconsin; Wisconsin Bureau of Aging and Long Term Care, 2004. Contains a chapter on nutrition planning. Order from:

<http://dhfs.wisconsin.gov/aging/dementia/introduction.pdf>

Green-Field Library does not own.

Robinson, J. *Help for Alzheimer's caregivers, family, and friends.*

Ormond Beach, FL: Calm Waters Publishing, 2006. ISBN: 0978858158.

As a registered dietician the author shares information on healthful eating.

Green-Field Library Call No.: WM 220 R662 2006

Walker, B.L.; Cole, C.L. *Assisted dining: the role and skills of feeding assistants.*

Washington, DC: American Health Care Association, 2003. ISBN: 0970521995.

Green-Field Library Call No.: WB 400 W177 2003

Vellas, B.; Riviere, S; Fitten, J. *Weight loss and eating behavior in Alzheimer's patients.*

New York, NY: Springer Publishing Company, 1998. ISBN: 290934262X.

Green-Field Library Call No.: WM 220 R432w 1998

## Videos & Kit

*Aged care: nutrition in an aged-care environment.*

Syracuse, NY: Program Development Associates, 2007.

1 DVD (29 min.)

(800) 543-3119

Provides staff with diet information and strategies for getting older people to eat properly. Discusses basic and specific nutritional needs, portion sizes, appropriate meal frequency, avoiding pre-packaged and convenience foods as much as possible, malnutrition-linked ailments seen in elders, and more.

Green-Field Library does not own.

*Bon Appetit: how to create meaningful mealtimes in long-term care.*

Chicago, IL: Terra Nova Films, Inc., 2001.

2 videocassettes (40 min.)

The focus of this training program is on resident autonomy with an emphasis on identifying the needs of persons with dementia.

Green-Field Library Call No.: WB 400 VC no.734 2001

*Dementia: the power of nutrition in caregiving.*

Bozeman, MT: Montana Department of Public Health and Human Services, 1998. (406) 444-7743

1 kit with videocassette (12 min.)

This kit contains a video, handouts, overheads, a promotional flyer, and a step-by-step guide to a 45-minute presentation.

Green-Field Library Call No.: WM 220 VC no.712 1998

*Dementia and nutrition: helping prevent nutritional and fluid deficiencies.*

Cincinnati, OH: Eldercare Communications Inc., 2008.

(800) 505-3232

1 DVD with guide (24 min.)

This program focuses on helping staff understand the impact of dementia on resident nutrition and ensure that residents eat well, drink enough and achieve their nutritional goals.

Green-Field Library does not own.

*Dining with friends: an innovative approach to dining for people with dementia.*

Baltimore, MD: Health Professions Press, 2010.

(888) 337-8808

1 DVD & accompanying material(20 min.)

Provides learning examples for improving the dining experience of frail elders in healthcare facilities.

Green-Field Library does not own.

*May I help you? Skills you'll need as a feeding assistant.*

Seattle, WA: Caresource Healthcare Communications, 2004.

1 videocassette (52 min.)

Program covers getting started, proper feeding techniques, problem behavior, and emergencies. Companion resource to ACHA's book: Assisted Dining: The Role and Skills of Feeding Assistants.

Green-Field Library Call No.: WB 400 VC no.965 2004.

*Mealtime interventions.*

Pewaukee, WI: Waukesha County Technical College, 2001.

1 videocassette (30 min)

A video training program for nursing assistants and home health care aides that covers distractions, behavior, mouth not opening, inability to feed self, resident preparation, set up, monitoring, feeding, and record keeping.

Green-Field Library Call No.: WB 400 VC no.964 2002.

## Web Resources

*Be A.L.E.R.T. and Be A.W.A.R.E. enteral safety campaign posters.*

Minneapolis, MN: Nestlé HealthCare Nutrition, 2010.

"The "Be A.W.A.R.E." campaign posters provide information needed to increase patient safety among medical professionals who deliver medications to hospital patients, including flushing enteral feeding tubes before or between medications, administering multiple drugs together, diluting liquid medication, and more.

<http://www.nutritioncare.org/wcontent.aspx?id=2078#Posters>

*Comprehensive multidisciplinary assessment of the demented nursing home resident with weight loss.*

University of Alabama; AlzBrain.org.

<http://www.alzbrain.org/pdf>

*Eating difficulties and dementia.*

Alzheimer's Disease and Related Disorders Association of NSW, Inc.

This Web site provides a chart of more than 30 eating problems in the middle and late stages of dementia and their solutions.

<http://www.mydr.com.au/default.asp?article=3179>

*Skill builder: eating and nutrition.*

Eldercare On-line's Alzheimer and Dementia Care Channel.

An in-depth article on the causes of eating problems and techniques for preparing meals and feeding someone who is bed-bound.

<http://www.ec-online.net/Knowledge/SB/SBeatnutr.html>

*Swallowing disorders.*

eMedicine.com.

eMedicine.com provides a comprehensive article for healthcare professionals on the anatomy of normal and abnormal swallowing, diagnosis, treatment, and strategies for compensation.
