

Massachusetts/New Hampshire Chapter

POSITION DESCRIPTION

Graphic/Web Design Intern

Association Mission:

The mission of the Alzheimer's Association is to eliminate Alzheimer's disease through the advancement of research, to provide and enhance care and support for all affected, and to reduce the risk of dementia through the promotion of brain health.

Description:

Duties include working with the Communications Department and Special Events Department to create our holiday e-catalog, update and edit website materials, assist with graphic design needs and other similar projects.

Qualifications:

Web design experience, Adobe Dreamweaver, Adobe Photoshop, Adobe InDesign. Must be a good writer and be able to use Microsoft Office products and Microsoft Outlook.

Contact:

For more information, contact Austin Hodge, Development Associate, at 617.868.6718 or austin.hodge@alz.org.

Join our professional, dynamic team – learn about Alzheimer's disease and gain Communications and Special Events experience – share your own experiences and support others living with the disease!
