

A Family Orientation Program

To educate families affected by
Alzheimer's disease

understanding alzheimer's and dementia

Understanding Alzheimer's Disease and Dementia

is an opportunity for anyone affected by these conditions to gain a basic overview of the stages and symptoms of the Alzheimer's and the relationship between Alzheimer's and dementia. Other topics covered will include the stages, warning signs, biology and treatments for Alzheimer's disease.

This program is especially beneficial for families just starting out on their journey with Alzheimer's. It will be followed by a question and answer session.

Admission is free and open to the public, but pre-registration is requested.

Participants will learn:

- The basics of Alzheimer's disease and dementia
- The stages and warning signs of Alzheimer's disease
- The range of support services offered by the Alzheimer's Association

To register for the program, call Ivy Hall at 410.687.1381 (ask for admissions)

Call 410.561.9099 or 1.800.272.3900:

- To learn what you can do in the fight against Alzheimer's disease
- To learn what resources are available to caregivers and individuals with dementia

Location:

Ivy Hall Nursing and Rehabilitation Center
1300 Windlass Drive
Baltimore, MD 21220

Date /Time:

Wednesday, January 28, 2009
3-4 p.m.
