

About the Midlands Chapter:

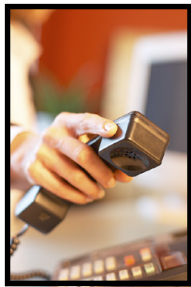

Since 1982, the Midlands chapter has provided education, information and support to individuals afflicted with Alzheimer's disease (AD) and the related disorders and supports the National Alzheimer's Disease and Related Disorders Association in its research for the prevention, cure, and treatment of AD and related disorders.

Vision Statement:

A world without Alzheimer's disease.

Mission Statement:

To eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health.
