

## To Make a Donation to the Mississippi Chapter

Alzheimer's Disease is a progressive irreversible brain disease for which there is currently no known cause or cure. It affects an estimated 4.5 million American adults of all ages, including about 52,000 Mississippians.

The Alzheimer's Association Mississippi Chapter is a non-profit organization that addresses the needs of Alzheimer's victims and their families through support groups, education, advocacy and research.

Your gift as a memorial or living tribute to a friend or loved one will be acknowledged to the person or family you designate.

YES! I want to do my part to help the Alzheimer's Association ease the burden and find the cure. Enclosed is my contribution of:
