When you register for your Alzheimer's Association car tag, we will submit your name and \$31 to your County Tax Collector's office. Your County Tax Collector will notify you upon arrival of your specialty tag.

How much is the Alzheimer's Association specialty car tag?

The specialty car tag is \$31. You will have 90 days to retrieve your tag. In the event you have already purchased your car tag, you may exchange your current car tag for our specialty license plate if you are eligible for a renewal car tag. If you are not eligible for a renewal, there will be a \$10 sub-plate charge upon retrieving your specialty tag.

Does the Alzheimer's Association receive any of the fund from the car tag sales?

YES-\$24 of the \$31 is used to further the mission of the Alzheimer's Association Mississippi Chapter through care, support and research of Alzheimer's disease.

I don't want an Alzheimer's Association specialty car tag, but I am interested in supporting the car tag program. What can I do?

Everyone can participate in supporting the Alzheimer's Association by sending a \$24 annual, tax-deductible contribution to the Alzheimer's Association "in lieu of" buying the tag. We are pleased to include everyone in this exciting Alzheimer's Association Specialty Tag Program.
