## ACKNOWLEDGMENTS

This special issue of *The Gerontologist* is sponsored through a generous grant from the Alzheimer's Association. Recognition and thanks are sent to the staff, residents, and families participating in the Collaborative Studies of Long-Term Care (CS-LTC) and to all of those who devote their efforts to the quality of life and quality of care in assisted living and nursing homes.

We thank the following individuals for their participation in the liaison panel and their contributions to the study: Peggy Bargmann, Cornelia Beck, Carolyn Cunningham, Scott Gardner, Becky Groff, Jan McGillick, Clarissa Rentz, Linda Sabo, and Jan Weaver.
