

## Medicare National Plans Coverage of Alzheimer's Drugs for 2011

The Alzheimer's Association has developed the chart below outlining which Medicare national plans do cover or do not cover Alzheimer drugs, and which plans require prior plan approval or have quantity limits for the drugs.\*

DRUGS	Aricept	Exelon	Galantamine	Namenda	Razadyne
<b>PLANS</b>					
AARP MedicareRx Enhanced	QL	QL	QL	QL	YES
AARP MedicareRx Preferred	QL	QL	QL	QL	YES
Advantage Star Plan by Rx America	QL*	QL	YES	YES	NO
Aetna Medicare Rx all plans	?	?	?	?	?
CIGNA all plans	QL	QL	QL	QL	NO
Community CCRx (Universal American)	QL	NO	QL	QL	NO
CVS Caremark plans	QL*	QL	QL*	YES	NO
EnvisionRx plans	YES	YES	YES	YES	NO
First Health Part D - all plans	Only ODT	QL	QL	QL	NO
HealthSpring PDP	YES	YES	YES	YES	NO
Humana & Humana-Walmart plans	NO	QL	QL	QL	NO
Medco Medicare all plans	QL	QL	QL	QL	NO
Medicare Rx Rewards (Unicare)	QL	QL	QL	QL	NO
UA Medicare Part D PDP	QL	QL	QL	QL	NO

KEY	
YES	Drugs are covered by plan
NO	Drugs are not covered by plan
PA	Plan approval required
QL	Plan limits number of pills covered over a period of time
QL*	Plan limits number of pills on some, but not all, dosages
Only ODT	means oral disintegrating tablets only
?	Plan prohibited from accepting new members

\* Some, but not necessarily all, dosages may be on the plan formulary

Prepared by the Alzheimer's Association, Medicare Advocacy Project. This project is supported by a generous grant from the Eisenberg Family Trust.
