

FEEL GOOD. GIVE MORE.

During November, Texas Blood Institute (TXBI) will make a monetary contribution to the [Alzheimer's Association- North Central Texas Chapter](#) for each donor who chooses to forgo the donor T-shirt.

In this way, donors can doubly give: by donating life-saving blood used locally and by supporting TXBI's contribution to Alzheimer's disease research and caregiver support.

Donate at Texas Blood Institute or one of these local blood drives:
